

INFORMATION TECHNOLOGY SOLUTIONS

TPM Group delivers secure, reliable, and powerful technology solutions to Federal, State, and Local government clients nationwide.

Who We Are

TPM Group LLC is a small 8a and HUBZone IT firm based in Washington, DC. We are dedicated to delivering cutting-edge solutions and personalized services to meet the unique technological needs of our clients. We help mitigate risk and optimize performance with agile project and resource management. TPM Group's information technology professionals understand the unique requirements of government agencies and bring 20+ years of experience successfully deploying IT solutions.

Differentiators

Every project is led by professionals who hold both PMP and CISSP certifications, ensuring expert-level project management with deep cybersecurity acumen. This dual expertise means projects stay on schedule, within scope, and aligned with best-in-class security protocols from day one.

Core Competencies

Our core competencies span enterprise IT strategy, cybersecurity, and infrastructure modernization, backed by a team with over 30 years of combined experience delivering mission-critical solutions across public and private sectors.
